The Marcum is designed and developed by Cincinnati-based CMC Properties. The Marcum is located right in downtown Hamilton; across the street from Marcum Park, next to the YMCA, overlooking the Great Miami River, one block from historic High and Main Streets.

All homes will be luxury rentals with the same finishes one would expect in a condo but without the need for a large down payment, association fees and costly repairs and upkeep.

How large are they?

One bedrooms start at 680 square feet and the largest 3-bedroom home will be over 1,400sf.

A private, access controlled surface parking lot will be adjacent to the building. There will be individual garages available to lease for an additional monthly fee. There is plenty of off street parking, surrounding the building, for visitors and guests.

How do I reserve my new home?

If you're interested in living in a vibrant and brand new community, a \$250 deposit reserves you a spot at The Marcum. If you change your mind at any time prior to signing a lease, for any reason at all, the deposit is the only amount at risk.
